COMMUNITY ENGAGEMENT REPORT

MOST VALUED VOLUNTEERS

Techrity aims to bridge the gap in unemployment, gender inclusion and poverty by providing the vital resources needed to kickstart young talents into tech and build solutions for social good in Africa.

The year 2021 was a year for daring and promoting collaboration. Techrity Innovation Foundation started operations in October 2020 and was officially inaugurated on October 2, 2021

We are especially grateful to God for the vision and the enablement to carry out our mission. We appreciate all volunteers, community members, organizations, partners, sponsors and well-wishers for their unending support throughout the year.

We had a lot of programs and activities planned for 2021, and this annual report is to showcase our work in moving the vision of creating equal access to opportunities in Tech for Africans.

The year 2021 was mostly about pushing beyond and promoting the brand and community in all areas.

We wish you a fulfilling 2022 and promise to keep the focus on our mission of Helping new talents into Tech and Building solutions for social good in Africa.

OVERVIEW

The year 2021 was a year for daring and promoting collaboration on all fronts. Techrity Innovation Foundation started operations in October, 2020, and officially inaugurated on October 2, 2021.

Programmes and Activities Report

TECHRITY MENTORSHIP PROGRAM (TMP 2021).

TMP 2021, started in May, 2021 and ended in September due to some substantial rearrangements in the schedules for the programmes.

- In-line with our mission, Techrity started our annual Mentorship programme to bridge the gap between young techies/talents who seemingly lacked the necessary direction or pathway in their career to outstanding mentors, teachers and Instructors in the various sphere of the tech space from all over the world. Our maiden editor was a success but with a lot of avenues for improvements and necessary adjustments.

Mentees at inception: 18

Mentees at conclusion: 5

Mentors for TMP2021: 14

Programmes and Activities Report

- Mentees received data support during the period of Mentorship and were awarded Certificate of completion and swags.
- Mentors were supported with data and also given swags, and T-Shirts.

Programmes and Activities Report
